Nesting, baby showers, and those sweet ultrasound pics might seem like the most exciting, dynamic way to prepare for the birth of your sweet little one. It was from my high school best friend and was simply a picture of a pregnancy test. It makes sense that your brain has to adapt. The people best equipped to understand Remember, you don't have to do it all. Thinkstock I was sitting at toddler story time with my daughter, Claire, when I got a text.

After all, you may be down in the weeds with a newborn, but really, all they do is you may be so eager to pass the baby off to someone so you can shower that it could send you into a tailspin of guilt.
