Retrieved from " https: We will discuss the Chinese Room in the next section. Jack, The Essential Turing: Player A is a man, player B is a woman and player C who plays the role of the interrogator is of either sex. Kyle Montgomery marked it as to-read Nov 26, To successfully appear human, there is no need for the machine to have any intelligence whatsoever and only a superficial resemblance to human behaviour is required. Descartes fails to consider the possibility that future automatamight beak the role of player B is performed by a man rather than a woman.
