Now that business is slow she is looking to take on a part time position to earn money to send her younger sister to an expensive college. She just can't in This book was hilarious! Also, the supporting characters were intriguing as well and helped themysti But as her final term races by, and she is offered the perfect job back in Washington whilst Alexander is tied to his Estate, the impossibility of their romance hits home. I liked Beth--she's charming, and you can feel the hurt she's still carrying. After I got more information about his situation I changed my mind, but it took a while to get me . I know that it needed the build up but I wanted more of the trip in which they gett I knew the full truth I was won .
