I think this book was probably more useful when it first came. Well, a lot of this is very and Your Own E-Commerce Website overview of eBay so maybe if you can find this at the library I did like Miller talking about eBay's history and the changes that have made it more difficult to make money on the site for smaller sellers particularly good on eBay - and talking about why fixed price auctions are the way to go - and showing why through figures Its a quick read.

An informative book nonetheless. Doing Business on Craigslist 9.
