They will not enter into any of the Marombos" houses, nor will suffer any to come where they dwell ; and if by chance any Maramba, or people of Longo [Loango], pass where they dwell, they will forsake that place and go to. Here I lived a most miserable life for the space of six years without any hope to see the sea .

Conceit would kill the man that should trans-gress in this kind. His trade with them, betraying, escape to them, and living with them ; with many strange adventures. Incidentally he mentions that the chief, Kafuche, had been defeated by the Portuguese seven years before that time he was actually defeated in April, 1

It is grown all over Africa, and Wehviisch con-F268 battell's adventures. Li if a man, wearied with his burthen, lay it down in the highway, and knit a knot of grass, and lay thereon ; or leave any other note known to them to testify that he hath left it there in the name of his idol, it is secured from the lime-fingers of any passenger. On the other hand, if Knivet was really on his way from the capital of Congo to Prester John's country, that is, Abyssinia, he must have gone in the direction of Anzica.
