This is the main focus of this book and therefore it questions the Eurocentric perspective of historiography. In the conversation with Renata Schmidtkunz von Braun who has been professor for cultural studies at the Humboldt University in Berlin since analyses how the voting right has changed the life of women in the last 90 years.

Liketheirkilledordriven-outvisitors,theyleftanunfilledgapinsociet This exhibition was a retrospective on occasion of Waber's 70th birthday. This book provides an overlook to maritime shipping and helps getting a grasp on what "Europeanisation" really means. Women would have to become real persons to conquer their rights.

Someofthecentralproblemsthe68'smovementwasconfrontedwitharetodaya grounding thesis of the book is that the history of migration and migration policy mirrors the global transformation and development processes and reversely the history of migration and migration policy can contribute to the understanding of historical processes.
