Jackson uses the expansion here and the minute, repetitive detail before and after it to elongate the action, heighten the tension, and rivet our attention. He just wasn't built that way, which is why he's so good at picking the right details that will stand for many things. Why do we then ask that these writers become novelists?

Here it was, coming at me again, the same thing. Short stories are mostly based on a single theme that revolves around a small cast of characters, and are usually less complex than novels. This one follows the comical conversation of a woman on vacation with her husband, who has PTSD, talking on the phone to her concerned mother. And I even start novels. This one follows a young woman who has to choose between duty to her family and the potential for a better life abroad with her lover.
