I really enjoyed this book for many reasons. He's a regular kid with extraordinary burdens to bare. He will break your heart when his whole story comes out! His OCD and anxieties were shown in simple, relatable ways. Break your heart into pieces! The Goldfish Boy is a great book, but often seemed to lean a little too self-indulgently into psychology and mental illness. Matthew, Melody, and Jake are all multidimensional with interesting backstories from the web.
