I think there are lots of good things to mine from a teaching standpoint and some interesting things to discuss, mainly how things have changed. Set in the mountains of North Carolina it pulls together several important themes:  
But all that is interrupted when a crisis reveals their unlikely alliance and  
The next day decided to walk back down to the woods to see if she could find the older women. Book titles OR Journal titles.  
Annie's mother cannot get past the baby's death and circles inside her own grief.  
good read and a solid book for use in classroom discussion.  
One day Annie was taking a walk in the woods and she sees the silhouette of an older woman.
