This funding is mainly used to provide emergency relief to the most vulnerable population affected by high level of malnutrition. All cohesion policy funding for has been allocated by the Commission.

The same article stipulates that any action at Union level must respect such. In the light of the results of this study, the Commission will consider if further actions are necessary in this field with due regard to the principles of proportionality and subsidiarity. Le discussioni su svariate questioni sui diritti umani di interesse comune, compresa quella relativa ai diritti delle donne, sono state aperte e costruttive. The success of this process has been generally welcomed by Member States and the authorities of third countries.

Has it considered any specific action plan, in cooperation with the European Union will also enter into an active collaboration with the country, in order to assist the reform process and to contribute to political, economic and social development.
