In others, they are expected to sustain the status quo. He set principals at odds with one another and with teachers, played favorites among system administrators, postured in public, did his best to charm particular school committee members, and generally kept everyone off balance. Do you consider yourself a good judge of people, and has that been borne out by your experience?

The leader sees human relations as a series of transactions. It's not impossible. But it still leaves the final decisions about what to do with those ideas in the hands of a single person. One of the enduring images of the 20th century is that of hundreds of thousands of Germans wildly cheering their Fuhrer in Leni Riefenstahl's brilliant and terrifying 's Nazi propaganda film "Triumph of the Will. What is leadership style?

In the second story at the beginning of this section, the school principal was comes closest to the goal of servant leadership explored in the previous section, and it also comes closest to reflecting the concepts of equality and empowerment included in the philosophy and mission of so many grass roots and community-based organizations.
