It's now more common for marriages to fail than it is for them to last a lifetime. But you can still get married with the confidence that you'll enjoy.

### **12 Questions to Ask Before You MarryHarvest House**

Today, marriages have a 50 percent chance of lasting. Longing to improve those odds, pastor Clayton King, author of the popular Dying to Live, and his wife.

The divorce rate in America is at an all-time high and researchers tell us that a broken marriage is the greatest cause of anxiety and depression in our culture.

Planning a wedding is an exciting (if a little stressful) time for couples. You're in love, you're happy and you can't wait to spend the rest of your.

While I do agree that this is something newly married couples need to be aware of, and we should encourage newlyweds to work at their relationship even when it seems like it's falling apart, this is something that me and my husband know far too much about, considering that his mother is on her second marriage and his father just got married for a third time this year. Have you talked about money?

Unfortunately, even couples who have a comfortable division of responsibilities. Yes, some couples may choose to wait until marriage before becoming sexually intimate, but even in those cases it is important to have communication and mutual understanding about what role sex will be expected to play in a marriage. But the more you can acknowledge what your expectations are, what you hope for, and how you would handle a change in plans, the better you will be able to roll with the punches if the need should arise to do so.
