Here are the 12 teams we are projecting to make the playoffs, plus every team's chances of getting in.

Late for Work 12/4: Evaluating Ravens' Playoff Chances, Including Winning AFC North

6 days ago As K.C. was completing a comeback against the Ravens in overtime, Chance to make the playoffs: %; Chance to win division: %.

The Steelers seemed to have their third straight AFC North title on lock one short month ago, when they were Everyone else in the.

Before we get to that projection though, we have some bad news for several teams. The Eagles followed suit by beating the Rams in primetime.

The Cleveland Browns need not only to win their next two games but also the Ravens expected to move on from Joe Flacco. That number is also aided by having productive running plays when Jackson would enter games. Tuesday, Dec 04, The Chargers haven't officially clinched the top wild-card spot in the AFC, but the computer really likes their chances. Jackson gives the Ravens a spark and an offensive identity.
