In it the prophecy is made that as the movement develops the more material phenomena will decrease and their place be taken by the more spiritual, such as automatic writing. So loud may the latter phenomenon be that in one case, of which I have the record, the dead man's dog was so excited at hearing once more his master's voice that he broke his chain, and deeply scarred the outside of the seance room door in his efforts to force an entrance.

Oneofthesemediumswastestedafterwardsbyhavingthemouthfilledwithcol With the help from the prince of the Accala, whom they had saved from the ape-men, the expedition discover a tunnel to the outside world. The science of the day was also rooted in materialism, and discarded all its own very excellent axioms when it was faced by an entirely new and unexpected proposition.
