Use a thimble to save the pad of your finger and prevent blood from getting on your fabric! Maybe have something chocolate nearby to keep things happy and then be patient. Weave the needle in and out of the fabric creating the look of a dashed line. However, the truth is, that you simply need not be intimidated. Push the needle into the opposite fold directly across from the fold where it came. Whip up some wearable sewing with a fabric cuff, sew a few friends for a little one in your life, then make a few handy labels to keep you organized. But what to sew right? When I have a lot of hand sewing to do I prepare 5 or 6 lengths of thread at a time.
