Andrew Greig grew up on the east coast of Scotland, where playing golf is as natural as breathing. He has played on the Old Course at St Andrews as well as on.

Preferred Lies: A Journey To The Heart Of Golf by Andrew Greig

'A literary sports book, Preferred Lies would be playful, personal, lyrical, tongue in cheek, elegiac, meditative, a personal and cultural exploration.' Surely golf is.

A Brief History of the Dust Jacket When did dust jackets first
appear, and what exactly are they for? Andrew Greig grew up on
the East coast of Scotland, where playing golf is as natural
as breathing. This book didn't make me want to take up golf. This book
is fun if you are interested in golf in the UK. He writes
about the different cultural manifestations of the game, the
history, the geography, the different social meanings, as well
as the subjective experience, the reflections between shots.
Carol rated it liked it Jul 20,
A memory of playing with my friend Eddie Farrell here, the time he hit a terrible
found after I read it that I took the game far less seriously
and just enjoyed the "spiritual" side of it. When did dust
jackets first appear, and what exactly are they for?
