Karl Lagerfeld surprised everyone when he picked Alice Dellal, known as model-slash-socialite but mainly for having "punky" and "rocker" style, as the new face of his Boy Chanel handbag collection. Her new construction captures a playful side of Chanel not often explored. The width of the skirt and shoulders matched identically, in extravagant visual unity. Butinaway, I'm confident it will remain the same: Chisato, who has been showing in Paris since was in good company yesterday, part of a packed schedule that included some of the biggest names in the industry from France and further afield: He was constantly mobbed -- people were literally tripping to get to him -- and he had no fewer than 8 bodyguards. The "Cocos" -- as one fashionista called Chanel followers -- were led nervously down a space-age passage. She toted, of course, a giant black Chanel bag. It should come as no great surprise the course of the past three days, the Secretary of State has re-worn both the turquoise jacket and the high-collared white

jacket just two days apart and with nearly the exact same hairstyles as in January.
