I wake up and wish I was somewhere else or times it try and pretend I'm in a safe time.

Exercise that is rhythmic and engages both your arms and legs—such as running, swimming, basketball, or even dancing—works well if, instead of continuing to focus on your thoughts as you move, you focus on how your body feels. The VA practices chaos and insanity, by the minute, and their rules and regulations defy logic.

Went to the Gulf War with 3rd Infantry Division, stayed in biohazard suit for 2 weeks. My wife responds a little differently, so experiment to find what works best for you. Well years of gone by now I've been divorced again I'm friends with my ex wives believe it or not and I love all my kids I have 5 my daughter is a first lieutenant in the Marines I don't know why she joined.
