We need to not be self-centred but to announce the Gospel in a friendly way because the Holy Spirit is a friend of everybody. For this reason, the figurative language of the visions is symbolic.

He had been very close to death, and he himself explained his survival in the fo
The prophet speaks to the blindness of will and of reason, and declares the will of God as an indication and demand for the present time. The vision then shows the power which stands opposed to the force of destruction—the splendour of the Mother of God and, stemming from this in a certain way, the summons to penance.
