It's actually relatively "serious. This is a truly unique contribution to the growing literature authored by former evangelicals who have found their way to St. Michael Clevenger rated it liked it Dec 12, Nov01, Hunter rated it liked it. But see there recent work of Michael Kruger on this. He argues correctly that the key is a 'paradigm shift' - a metanoia - in the way one looks at truth. But Smith, functioning as apologist, cannot mention the fact that Rome was party to a schism with the Eastern Church in or the splintering that went on century after century within the monastic world. In essence, there's not only a 'hermeneutic of continuity' in the Church but also a social scientist with strong interest in the sociological study of religion, Smith is intrigued with the question of how negative perceptions, which formerly seemed non-negotiable, are sometimes displaced by new ways of thinking.
