Personally, I missed just such a text at the end of each chapter. She reviews contemporary scholarship and its approaches to the subject. Early Greek States Beyond the Polis.

She points out that sanctuaries played an important role as economic centres. She chooses the first because of the rather exceptional number of four temples the small polis constructed on its acropolis.

In the following part M. Clear and direct in style, and with more than eighty photographs, maps and plans, Early Greek States Beyond the Polis is a widely relevant study of Greek history, archaeology and society.
