Many dogs are out of control, untrained, chewing up furniture, taking medication for anxiety, and biting millions of people a year. You can do it, Katz contends. It will help you make many decisions.

Katz uses personal experiences and others' experiences to illustrate his points. Will have to read again right before puppy comes. Title Author Advanced Search.

I found this interesting, as I commonly only know about my own relationships. I have had to pay a lot more attention than I expected and I have had to maintain a watchful eye - ever on the look out for the teachable moment!
