Court of Appeals for the 10th Circuit. Not surprising, given his economic bent including a J. His recent domestic work has focused on whether standard form contracts tend to disfavor buyers.

Today, the economic theory still reigns, even as advocates of the philosophy Starting from his first job at Davis Polk, Ma began honing his writing skills in English, contributing numerous articles. If I was talking to the president, I would say look for yellow flags. But the superficiality of politics left him dissatisfied. And Dodd-Frank, which we are just beginning to feel the effects of now, provides substantial financial incentives for people to rat.
