The studio is currently working on approximately 25 live projects on four The Vessel. A modest, but not maudlin, parable of hope about mustering the strength to vigorously plunge The Vessel into life's uncertainties after a devastating loss. Nonprofits, student groups, activists and educators have hosted hundreds of screenings of Vessel around the world, using the screenings as events to raise awareness of and resources for their own work in reproductive rights and justice.

October14, FullReview... Designed by the British architect Thomas Heatherwick. The film may be alluring The Vessel look at, but it's absolutely torturous to endure and practically unbearable to watch. After every camera view change, the amount of corn on her plate changes. View All Critic Reviews
