Discovering your voice is nowhere near as complicated as some make it out to be. Run it past loved ones and others you trust. Put it above your desk and use it to guide you, to jumpstart your writing each and every day.

Personally I have read many sad stories but they all tend to have some sort of purpose and editors can tell within the first two pages whether your manuscript is worthy of further consideration. This allows you to share much more information with your reader and gives you the opportunity to write additional books related to the topic.
